

Crime Alert

Stolen Motor Vehicle

In accordance with the [Clery Act](#) and to allow community members to make informed decisions about safety, we are sending this crime alert to our campus community. The Clery Act defines electric bicycles and electric scooters as motor vehicles (self-propelled vehicle that runs on land surface).

UCIPD received a report that between October 6, 2022 at approximately 10:45 a.m. and October 7, 2022 at approximately 7:15 a.m. a yellow Nakto Skylark foldable electric bicycle was taken from a bicycle rack outside of Vista del Campo Norte (28500 Arroyo Dr.). UCIPD canvassed the area and did not locate the electric bicycle.

If you have information that could be helpful in this investigation, please contact the UCI Police Department at (949) 824-5223.

Help fight crime by reporting suspicious activity to UCIPD immediately - race, gender, and religious affiliation are not considered suspicious.

Safety Tips

- Always lock your bicycle to a secure bicycle rack. Secure both wheels and frame.
- Use high quality "U" shaped locks. Avoid using light weight cables or chains or low quality U-locks.
- Avoid leaving your bicycle outside at night.
- Register your electric bicycle, electric scooter and bicycles with 529 Garage [here](#).

Sincerely,

Liz Griffin

Chief of Police

[UCI Police Department](#)

UCI Crime Alerts are released by the UCI Police Department when certain crimes are reported on or near UCI property, in compliance with federal law. These Crime Alerts provide information about campus safety situations and allow campus community members to take precautions for personal safety.
