

Click It or Ticket is the most successful seat belt enforcement campaign ever, helping to increase the national seat belt usage rate. Coast to coast, day or night, the message is simple - **Click It or Ticket.**

Seat belts are the most effective safety feature ever invented and have helped save thousands of lives.

Sadly, one in five Americans fail to regularly wear a seat belt when driving or riding in a motor vehicle. By maintaining the "**Click It or Ticket**" brand and awareness, we will continue to reduce seat belt fatalities on America's roads.

Be Smart. Be Safe.

What to do **AFTER A CAR ACCIDENT**

1. **Remain calm.** It helps you stay in control of the situation.
2. **Ensure you and your passengers are OK.** Move as far away from the roadway as possible, but remain at the accident scene. Warn oncoming traffic by activating your hazard warning lights and/or setting flares if you have them.
3. **Call 911** to report the accident.
4. **Contact your insurance company** and report the claim. The sooner your insurance company knows about the accident, the sooner they can begin to resolve your claim.
5. **Do not admit fault.** To protect yourself legally, do not discuss the car accident with anyone other than the police and your insurance company.
6. **Exchange information** with the other driver involved in the car accident. Use the information form on the back of this brochure as a guide.

When You Witness an Accident

1. Remain calm and pull off the road.
2. Call 9-1-1 and be ready to provide the location and how many people need assistance.
3. Do not move the victim(s) unless there's immediate danger of fire or explosion.
4. If victim(s) are in immediate danger from traffic, re-direct drivers around the accident.
5. Keep the victim(s) calm and wait for emergency services to arrive.
6. Remain at the scene to provide a witness statement for the police.

Photo Checklist to Document an Accident

- License plate(s) of vehicles involved
- Damage to other vehicles involved
- Damage to your vehicle
- Landmarks, street signs or address markers to identify the location
- Damage to any property or objects at the scene (debris, skids, fallen trees, etc.)
