More than 30,000 pairs of eyes at UCI.  
*We're counting on all of them.*

The nationwide, "If You See Something, Say Something" campaign is a simple and effective program to raise public awareness on terrorism indicators and terrorism-related crime, and to emphasize the importance of reporting suspicious activity to the proper local law enforcement authorities.

The UCI Police Department is dedicated to maintaining a safe and secure environment for all students, faculty, and staff, but we also need your help. If you see a suspicious situation or behavior (i.e. unattended bag/package in a public space or someone trying to break into a restricted area), report it immediately to the UC Irvine Police Department at our 24 hour business line, (949) 824-5223 or in the event of an emergency or crime in progress, call **9-1-1**.

**There is no harm in alerting authorities, if it turns out to be an innocent mistake, then as the old saying goes, "better safe than sorry."**

## See Something?

Report unattended bags/packages and unusual behavior to the UCI Police Department.

Unattended bags/packages may simply be forgotten or discarded items, but don't be afraid to report them if you see them left unattended on campus, especially in partially hidden or unusual locations.

Vigilance begins with YOU!**

# The Four R's

## Recognize

You should always be aware of your surroundings. If you see an unattended bag/package at any location, take the initiative to identify the owner. Simply asking people in the immediate area may help determine the owner. If it is suspicious, the following additional steps must be taken.

## Record

You should record all pertinent information about the item. This step includes identifying the exact location and noting precise details (i.e. color, size, etc.)

## Retreat

The next step is to clear the immediate area surrounding the item as well as directing everyone to retreat 200 feet away from it. You should be a minimum of 25 feet away from the suspicious item. No one should touch or attempt to move the suspicious item.

## Report

Immediately contact the UC Irvine Police Department at (949) 824-5223 or **9-1-1**.

*Sometimes a bag isn't just a bag.*
