
Recruitment and Selection

1000.1 PURPOSE AND SCOPE

This policy provides a framework for employee recruiting efforts and identifying job-related standards for the selection process. This policy supplements the rules that govern employment practices for the University of California Irvine Police Department and that are promulgated and maintained by the Department of Human Resources.

1000.2 POLICY

In accordance with applicable federal, state, and local law, the University of California Irvine Police Department provides equal opportunities for applicants and employees regardless of actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law. The Department does not show partiality or grant any special status to any applicant, employee, or group of employees unless otherwise required by law.

The Department will recruit and hire only those individuals who demonstrate a commitment to service and who possess the traits and characteristics that reflect personal integrity and high ethical standards.

1000.3 RECRUITMENT

The Assistant Chief and Services Lieutenant will manage police officer recruitments. The Assistant Chief and the division managers for professional staff will manage professional staff recruitments. Working with staff within the department as well as UCI HR the recruitment team should employ a comprehensive recruitment and selection strategy to recruit and select employees from a qualified and diverse pool of candidates.

The strategy should include:

- (a) Identification of racially and culturally diverse target markets.
- (b) Use of marketing strategies to target diverse applicant pools.
- (c) Expanded use of technology and maintenance of a strong internet presence. This may include an interactive department website and the use of department-managed social networking sites if resources permit.
- (d) Expanded outreach through partnerships with media, community groups, citizen academies, local colleges, universities, and the military.
- (e) Employee referral and recruitment incentive programs.
- (f) Consideration of shared or collaborative regional testing processes.

The Services Lieutenant shall avoid advertising, recruiting and screening practices that tend to stereotype, focus on homogeneous applicant pools or screen applicants in a discriminatory manner.

Recruitment and Selection

The Department should strive to facilitate and expedite the screening and testing process, and should periodically inform each candidate of his/her status in the recruiting process.

1000.4 SELECTION PROCESS
